BADERTSCHER AND STAIGER MERGE

Badertscher Attorneys at Law and **STAIGER Attorneys at Law** are already among the most renowned law firms in Zurich. We have now decided to merge at the STAIGER location and under this name.

Following the merger, the law firm will have a total of over 100 employees, including around 60 lawyers.

«By taking this step, we are consolidating our position as one of the leading commercial law firms in our specialist areas and at the same time increasing our capacity to continue to provide our clients with the highest level of support in all corporate and private legal matters," says **Jonas Stüssi**.

«We have seen that the focus, client portfolio and teams of Badertscher and Staiger complement each other perfectly," says **Beat Badertscher**. "And since size also plays a decisive role in today's increasingly complex legal environment, a merger makes sense for everyone involved, especially for our clients.»

The merger is expected to be completed in the second half of 2026.
